Custodial Parent Liability form for Students Walkers

Top Ridge _____
Indian Trail _____

Dear Union Parent,

Students are allowed to walk to and from school using the gates to their neighborhood. We have two gates one that leads to Top Ridge and the other gate leads to Indian Trail. This will be a parent's option and the following guidelines are in place and you must sign off on them in order for your child to walk home from school.

AM Walkers

1. All parents who would like their child to walk to school daily in the morning must read and sign this form stating they are responsible to walk their child to the back gate between 8:10am-8:15am. A staff member will be at the gate to meet the walkers. We have buses entering school for drop off behind the school from 8:10am- 8:15am. Students in the morning cannot simply walk to school unsupervised and play behind the school.

I _____ (Custodial Parents Signature) have read the Custodial Parent Liability form for Student Walkers and items 1-3.

My child/children _____ (Student Names) have my permission to walk to school. I assume full responsibility and will walk my children to the back gate during the drop off window 8:10am-8:15am.

PM Dismissal Walkers

1. All parents who would like their child to walk home from school daily must read and sign this form stating that they are responsible for their child once they reach the gate leaving school property.
2. All students who walk will be escorted by Union Staff at 3:08PM from the back doors of the school to the gates behind the school.
3. Once the students leave school property the students are the parents' responsibility and the school District and Union Staff are no longer responsible for their care or safety.
